EXPERIENCE

Amazon   **2018-Present**
Warehouse Associate   **Salt Lake City, Utah**
- Certified AFM, in which I worked on the robotics floor responding to time sensitive alerts that required robotics troubleshooting.
- Provide and maintain continual work flow for 6-14 employees throughout a shift.
- Trained to safely Stow and Pick products while exceeding set targets.

Uber   **2016-2020**
Driver   **Salt Lake City, Utah**
- Maintained a safe clean vehicle with up to date maintenance, documentation, and logs.
- Provided excellent customer service while overcoming unforeseen circumstances, including changes in destination, weather, and road quality.
- Managed my schedule to complete shift and productivity goals.

Dot Foods   **2014-2016**
Inventory Management   **Modesto, California**
- Researched, reported and resolved inventory discrepancies including damaged, lost and returned products.
- Communicated with customer service, drivers, order selectors and corporate to create and execute action plans to correct inventory inaccuracies.
- Managed supplier damaged products and weekly return process.

Dot Foods   **2011-2014**
Warehouse Order Selector   **Modesto, California**
- Consistently met established company production and service level standards.
- Received, inventoried, and prepped products from inbound trailers.
- Operated: PIR machine, narrow aisle machine, forklift, and pallet jack.
- Checked all inventory I handled for any discrepancies, including damages and quantities.
