## EMPLOYMENT HISTORY

**Amazon**                                                                                    *Salt Lake City, UT*

10/2018 -      **Warehouse Associate**
08/2019
- Certified AFM, in which I worked on the robotics floor responding to time sensitive alerts that required robotics troubleshooting.
- Provided and maintained continual work flow for 6-10 employees throughout a shift
- Trained to safely Stow and Pick products while exceeding set targets.

**Uber**                                                                                       *Salt Lake City, UT*

10/2016 -      **Driver**
01/2020
- Maintained a safe clean vehicle with up to date maintenance, documentation, and trip logs.
- Provided customers with reliable transportation around the Salk Lake City area.
- Provide excellent customer service while overcoming unforeseen circumstances, including changes in destination, weather, and road quality.
- Managed my schedule to complete shift and productivity goals.

**Dot Foods**                                                                                  *Modesto, CA*

02/2014 -      **Inventory Management**
10/2016
- Researched, reported and resolved inventory discrepancies including damaged, lost and returned products.
- Communicated with customer service, drivers, order selectors and corporate to create and execute action plans to correct inventory discrepancies and incorrect customer shipments.
- Managed supplier damaged products and weekly return process.
- Completed daily cycle counts to ensure accurate inventory of the entire warehouse.

10/2011 -      **Warehouse Order Selector**
02/2014
- Created stable and accurate pallets of customer orders
- Operated: PIR machine, narrow isle machine, forklift, and pallet jack.
- Consistently met established company production and service level standards.
- Received, inventoried, and prepped products from inbound trailers.
- Checked all inventory I handled for any discrepancies, including damages and quantities.

**Lamppost Pizza**                                                                             *Turlock, CA*

07/2009 -

10/2011
- Supervised 10-14 employees in a fast-paced customer service environment.
- Trained all new employees in all areas of the restaurant.
- Inventoried all deliveries of products from suppliers and audited inventory at night.
- Prepared nightly paperwork, including till counts.

**Ace Hardware Distribution Center**                                                           *Turlock, CA*

08/2007 –

01/2009
- Created accurate pallet loads of order requests to be sent to stores as inventory
- Consistently met company standards for production, service, and safety.
- Operated forklift and pallet jack
